

## **Quannapowitt Players Director Submission Form, 2023-24 Season**

Thank you for your interest in directing a play for Quannapowitt Players!

This document outlines the application and selection process. If you have any questions, please contact us at [prc@qptheater.com](mailto:prc@qptheater.com).

We understand that circumstances and timing may determine your ability to ultimately commit to a play and a time slot in our season, **but please only submit plays you are serious about directing.**

The QP Board of Directors will have the final vote on all selected plays.

### **Application Process**

Complete the Director Submission Form (digitally or hard copy) and submit to the QP Play Reading Committee (PRC).

Materials may be submitted by:

- a) Dropping off a physical packet at Quannapowitt Players if a BOD or PRC member is present
- b) Submitting digitally to: [prc@qptheater.com](mailto:prc@qptheater.com)
- c) Mailing a physical packet to: Quannapowitt Players, 55 Hopkins St., Reading MA, 01867

### **Selection Process**

1. QP's Play Reading Committee will review all submissions.
2. If the play is selected by the PRC to be short-listed as one of the Final 12, it will be submitted to the Board of Directors for approval. The BOD will schedule a time to meet with each applicant in **December/January** so that they may pitch their idea in detail and elaborate on this application.
3. The BOD will deliberate each recommended show and approve or reject them via a majority vote. The BOD reserves the right to seek external solutions not limited to previously-submitted entries.
4. The BOD will notify all directors of updates related to their submissions in January including any informational follow-up requests. Once all directors have been contacted regarding final decisions, and all rights are obtained, the approved season will be publicly announced via social media, newsletter, and QP's website.

Please complete a separate form for **each** submitted play. In addition to this form, please submit any additional materials that you feel would aid in the decision-making process (e.g. musical scores, CDs/tapes/digital files, etc.) **Please note that these materials will not be returned.**
